HOW TO SCHEDULE A RIDE
CALL US: 509-397-2935
TOLL FREE: 800-967-2899
Safe, reliable transportation is essential for residents in rural communities of all kinds. Coast Transportation’s mission is to support rural mobility needs through demand-response ride service. Using either volunteer drivers with their own cars or paid drivers with accessible agency vehicles, Coast will attempt to schedule rides for residents in its area who call at least 48 hours (2 business days) in advance. In Washington, there is no income or age qualification. In Idaho, only elderly and disabled persons may be transported. (Check with us for exceptions)

There are NO FARES, but we greatly appreciate donations. Call us or ask your driver about the different ways you can donate. Your generosity will enable us to continue providing quality services.

We are CLOSED for the following national holidays: New Year’s Day, Martin Luther King Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving and Christmas Day. In rare or unique situations, rides may be scheduled for holiday trips.

A Personal Care Attendant (PCA) may ride with you at no charge. A PCA is someone who travels with, and helps, a rider who is not able to travel alone. You must provide your own PCA if you need one. Please let us know when scheduling a ride whether or not you will be using a PCA. This information will guarantee a place for him or her to ride with you.

Our agency buses and vans can accommodate your wheelchair or power scooter. (Call us for specifications/sizing)

We also accommodate your service animals. A service animal is any guide dog, signal dog, or other animal (miniature horse) individually trained to work or perform tasks for an individual with a disability.

Please be ready 15 minutes prior to your scheduled pick-up time. This will allow our drivers any extra time they may need to get everyone to their destinations on time. Thank you for your understanding!

*If you live in Washington or Idaho and need to arrange for transportation services and you qualify for MEDICAID, you must first contact Special Mobility Services (SMS) in Washington at 1-800-892-4817 or for Idaho contact MTM at 877-503-1261.

We are always in need of volunteer drivers!
Volunteer drivers use their own vehicles to give rides to friends and neighbors who cannot drive themselves. Volunteer drivers make their own schedule and can drive as much or as little as they wish. Mileage reimbursement is provided at 51 cents per mile. For further information or to obtain a volunteer packet, please contact us.
